Roof Project to begin! The roof at NGS will be replaced this year and the chimney tuckpointed. The project is scheduled from June 5th – August 9th. We apologize in advance to our closest neighbors for any noise. The crew plans to work from 5:30 am – 2:00 pm Monday through Saturday. The front parking lot will be closed. Only the West side door will be open.

Board meeting date change! Our Board of Education meeting will be held at Newark Grade School on June 24th at 6:30 pm. We will hold a public hearing on the amended budget and a public hearing on transferring money from Education to Building Fund to help pay for the roofing project.

Lost and Found – we have lost and found on at table at Newark Grade School until Monday, June 10th. After that, the items will be donated to charity.

Mrs. Hauge is back! Thank you so much to Mrs. Peshia for filling in for Mrs. Hauge the past few months. We are grateful to both of you.

Students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination.
